WHO AM I?

I am an art director, designer, painter, roller derby girl and step-mother to four awesome kids. I was born in Las Vegas Nevada and moved to Louisville Kentucky at age 10. I graduated from an aviation magnet high school and gained my private pilots license. I ended up at The Savannah College of Art and Design. After six amazing years, I left with two BFAs (Illustration & Graphic Design), with a Minor in Art History and my MFA in Graphic Design (concentration in advertising). Including college, I have over 20 years of experience in the world of design and advertising. I am thankful every day I didn't choose TV/VCR repair for my career path.

SKILLS

I have a special place in my heart for typography and logo design. I will not settle for just 'OK'... I take great pride in my work. I also make all projects my bitch. And yea, I still rock an AOL email address. #hatersgonnahate
